THURSDAY 29TH NOVEMBER 2012

11.00-12.30 SYMPOSIUM HALL A

Using molecular and cognitive intermediate phenotypes in schizophrenia and spectrum disorders

Chair: L.J. Siever (USA)

Panel: P. Bitsios (Greece): Prepulse inhibition: A promising intermediate phenotype for schizophrenia
L.J. Siever (USA): Intermediate endophenotypes in schizotypy
P. Roussos (USA): New findings in schizophrenia research from combination of molecular and cognitive intermediate phenotypes

11.00-12.30 SYMPOSIUM HALL B

Quantitative methodologies for the assessment of dementia: A sleep analysis approach
Organized by: HELLENIC SLEEP RESEARCH SOCIETY

Chair: P. Ktonas (Greece), T. Paparrigopoulos (Greece)

Panel: T. Paparrigopoulos, T. Bonakis (Greece): Overview of sleep disturbance in dementia
E. Bonanni, M. Maestri (Italy): Disruption of the sleep-wake continuum in dementia and mild cognitive impairment: Macrostructure and microstructure findings
N.-T. Economou (Greece): Transition from mild cognitive impairment to Alzheimer’s disease: Sleep macrostructure and microstructure
P. Ktonas (Greece): Analysis of non-REM sleep microstructure in dementia: Emphasis on the EEG slow wave oscillation

11.00-12.30 SYMPOSIUM HALL C

Settings and techniques in group psychotherapy

Chair: K. Navridis (Greece)

Panel: P. Kymissis (USA): Efficacy of a brief group therapy for adolescents with anger control problems
I. Liacopoulos (Greece): Psychoanalytic work in groups under different settings
K. Navridis (Greece): Techniques of mediation in group psychotherapy

11.00-12.30 SYMPOSIUM HALL D

From the incompleteness of aristotelian anthropology to person’s hypostasis and ontology

Chair: D. Geroukalis (Greece)

Panel: T. Ziakas (Greece): The emergence of person according to Plato and Aristotle
I. Plexidas (Greece): Being and personhood - Towards an ontology of personhood
D. Geroukalis (Greece): From the incompleteness of aristotelian anthropology to person’s hypostasis and ontology
THURSDAY 29TH NOVEMBER 2012

11.00-12.30 SYMPOSIUM HALL E

**Gender and age issues in diagnosing and treating patients with bipolar disorder**

*Chair: C. Touloumis (Greece)*

*Panel:*  
I. Giannopoulou (Greece): Bipolar disorder in children and adolescents  
A. Papakonstantinou (Greece): Bipolar disorder in women  
S. Kleias (Greece): Bipolar disorder in the elderly

11.00-12.30 SYMPOSIUM HALL F

**Cognitive Behaviour Therapy (CBT) for severe mental disorders**  
*Organized by: GREEK ASSOCIATION OF COGNITIVE BEHAVIOURAL PSYCHOTHERAPIES*

*Chair: G. Simos (Greece)*

*Panel:*  
G. Simos (Greece): CBT for schizophrenia  
N. Nikolaidis (Greece): CBT for bipolar disorder  
F. Gonidakis (Greece): CBT for borderline personality disorder

12.30-14.00 SYMPOSIUM HALL A

**Pro-inflammatory mediators and oxidative stress alters the amino acid availability in neuropsychiatric disorders**

*Chair: N. Venizelos (Sweden), L. Bjerkenstedt (Sweden)*

*Panel:*  
L. Bjerkenstedt (Sweden): Relationship between tyrosine and stress in neuropsychiatric disorders  
R. Vumma (Sweden): Influence of pro-inflammatory mediators and oxidative stress on the functioning of membrane bound amino acid transporters: implications in neuropsychiatric disorders  
J. Johansson (Sweden): The pro-inflammatory cytokine interleukin-1β decrease the uptake of dopamine precursor tyrosine in human fibroblast cells  
L. Flyckt (Sweden): Aberrant tyrosine transport in fibroblast from patients with schizophrenia - indication of maternal inheritance  
G. Edman (Sweden): Relationship between cognition and tyrosine transport in schizophrenic patients

12.30-14.00 SYMPOSIUM HALL B

**Psychic trauma: Theoretical and clinical considerations**

*Chair: H. Lazaratou (Greece), A. Tzavaras (Greece)*

*Panel:*  
A. Tzavaras (Greece): What is traumatic in trauma?  
G. Kourias (Greece): The psychoanalytic concept of trauma  
H. Lazaratou (Greece): The transmission of trauma from the mother to the infant  
G. Abatzoglou (Greece): The trauma in childhood

</table>
15.30-17.00  SYMPOSIUM  HALL A

Antipsychotic actions and actions of antipsychotics: From perspectives of immunology and psychiatry
WPA Section Symposium: IMMUNOLOGY AND PSYCHIATRY SECTION

Chair:  N. Müller (Germany), A.M. Myint (Germany)

Panel:  A.-M. Myint (Germany): Anti-inflammatory action of antipsychotics in-vivo and in-vitro: Link between immunology and psychiatry
A. Halaris (USA): Action of the antipsychotic "Quetiapine" as antidepressant: From immunological perspective
N. Müller (Germany): Antipsychotic action of anti-inflammatory medication: Cyclooxygenase-2 inhibitor as an example
Y. Levkovitz (Israel): Antipsychotic action of antibiotic: Minocycline as an example

15.30-17.00  SYMPOSIUM  HALL B

The development of a clinical neurosciences institute within a major medical center

Chair:  M. Gaviria (USA)

Panel:  H. McGrath (USA): Building a Neuroscience Institute: Accomplishments and pitfalls
M. Gaviria (USA): Building a Neuroscience Institute: Integrating psychiatry
J. Karow (USA): Translating clinical research into clinical practice: Difficulties implementing advanced neuroimaging techniques into daily use
T. Guymon (USA): Building a Neuroscience Institute: Vision to planning and to implementation

15.30-17.00  SYMPOSIUM  HALL C

Advanced approaches in understanding depression and its management

Chair:  K.N. Fountoulakis (Greece), X. Gonda (Hungary)

Panel:  M. Siamouli (Greece): Genetics of depression in schizophrenia
X. Gonda (Hungary): Evolutional aspects of affective disorders
M. Routsoni (Greece): An update of recent data on geriatric depression
K.N. Fountoulakis (Greece): Efficacy of antidepressants in the light of recent meta-analytical studies
THURSDAY 29TH NOVEMBER 2012

15.30-17.00  SYMPOSIUM  HALL D

**Contribution of the genetic substrate to the emergence of side effects of antipsychotics**

*Organized by: HELLENIC ASSOCIATION OF BIOLOGICAL PSYCHIATRY AND NEUROPSYCHOPHARMACOLOGY*

Chair:  D. Dikeos (Greece),  J. Hatzimanolis (Greece)

Panel:
- **P. Ferentinos** (Greece): Obesity and metabolic syndrome
- **E. Rizos** (Greece): Tardive dyskinesia and other movement disorders
- **N. Smyrnis** (Greece): Agranulucytosis and other hematological conditions

15.30-17.00  SYMPOSIUM  HALL E

**Systemic therapy paradigms in psychiatry**

*Organized by: HELLENIC FEDERATION OF SYSTEMIC THERAPY*

Chair:  V. Tomaras (Greece)

Panel:
- **N. Paritsis** (Greece),  **M. Polemi-Todoulou** (Greece),  **D. Sakkas** (Greece)

15.30-17.00  WORKSHOP  HALL F

**CBT for Borderline patients suffering from Eating Disorders**

*Organized by: GREEK ASSOCIATION FOR BEHAVIORAL RESEARCH*

Chair:  **F. Gonidakis** (Greece),  **D. Harila** (Greece)

*The aim of the workshop is to focus on the difficulties CBT therapists are facing when treating a BPD patient suffering from ED and to present, in a experiential and interactive way, the extra skills needed to treat these comorbid conditions.*

17.30-19.00  LECTURES  HALL A

I. Brusco (Argentina):  *Prodromal Alzheimer and biomarkers*

P. Giannakopoulos (Switzerland):  *New challenges in Alzheimer’s disease research: Exploring the individual vulnerability*

M. Koukkou (Switzerland):  *Psychosocial development and meaning-extracting cortical plasticity*

FRIDAY 30TH NOVEMBER 2012

09.00-10.30 SYMPOSIUM HALL A

The importance of the amygdala in psychiatry
Organized by: BEHAVIOURAL AND NEUROSCIENCE ACADEMY OF INDIA

Chair: E.M. Das (India), A.K. Mital (India)

Panel: E.M. Das (India): Functional neuroanatomy of amygdala
A.K. Mital (India): Amygdala and depression
R. Nagpal (India): Amygdala and addictive behavior
V.G. Jhanwar (India): Amygdala and schizophrenia

09.00-10.30 SYMPOSIUM HALL B

The early origins of disorder and resilience: Developmental psychopathology and neuroscience

Chair: M. Kyriakopoulos (UK), A. Stringaris (UK)

Panel: M. Kyriakopoulos (UK): Neural correlates of psychosis: lessons from early-onset schizophrenia and beyond
A. Stringaris (UK): Mood disorders: neurodevelopmental trajectories and societal influences
A. Grigoriadou (Greece): Good practice amidst the crisis: the mental health of adolescents in contemporary Greece

09.00-10.30 SYMPOSIUM HALL C

The management of Parkinson's disease and its neuropsychiatric correlates

Chair: G. Mentenopoulos (Greece), G. Kaprinis (Greece)

Panel: T. Gioltzoglou (Greece): Latest pharmacological approach in Parkinson's disease
P. Stathis (Greece): Selection criteria for DBS in Parkinson's disease and neuropsychiatric side effects
S. Andreadis (Greece): Our experience in the surgical approach in Parkinson's disease
P. Pollak (Switzerland): The experience of functional neurosurgery in Parkinson's disease de l'ecole de Grenoble

<table>
<thead>
<tr>
<th>Time</th>
<th>Session</th>
<th>Hall</th>
<th>Details</th>
</tr>
</thead>
</table>
| 11.00-12.30 | LECTURES             | HALL B     | M. Kopelman (UK): The Korsakoff syndrome: Clinical, neuropsychological, and neuroimaging findings  
B. Taneli (Turkey): Relationship between psychiatric disorders and epilepsy  
D. Arciniegas (USA): Neuropsychiatric assessment during inpatient rehabilitation after traumatic brain injury |
| 12.30-14.00 | SYMPOSIUM            | HALL A     | Course, continuity and recognition of child psychiatric disorders in adulthood  
Organized by: COLLEGE OF EDUCATION, RESEARCH, PREVENTION AND TREATMENT OF PSYCHIATRIC DISORDERS  
Chair: L. Lykouras (Greece), G. Karantanos (Greece)  
Panel: I. Giannopoulou (Greece): The course of attention deficit hyperactivity disorder and conduct disorder in time  
K. Francis (Greece): The projection of autism spectrum disorders and special language impairment in adulthood  
M. Liakopoulou (Greece): Obsessive-Compulsive disorder in children and adolescents and the continuation throughout life  
G. Kolaitis (Greece): Mood disorders in childhood and adolescence: Continuities and discontinuities in adulthood |
| 12.30-14.00 | SYMPOSIUM             | HALL B     | Vulnerability, progression and management considerations in schizophrenia  
Chair: N. Stefanis (Australia)  
Panel: N. Stefanis (Australia): Genetic and environmental risk factors for the development of schizophrenia: Advances and limitations  
D. Velakoulis (Australia): Neurodevelopmental vs neurodegenerative perspectives for the progression of schizophrenia  
D. Castle (Australia): Undetected physical health comorbidity in schizophrenia: Impact on patients’ management and efficacy of healthy lifestyle interventions |
12.30-14.00 SYMPOSIUM HALL D

Biopsychosocial aspects of suicidality

Chair: K.N. Fountoulakis (Greece), G. Simos (Greece)

Panel: K.N. Fountoulakis (Greece): Suicide rates in Greece in comparison to the international data
M. Siamouli (Greece): Genetics of suicidality
G. Simos (Greece): Cognitive-Behavioural treatment of the suicidal patient
X. Gonda (Hungary): Community interventions for suicide prevention

12.30-14.00 SYMPOSIUM HALL E

Dreaming and psychic functioning in addiction

Chair: A. Potamianou (Greece)

Panel: P. Kefalas (Greece): Psychic functioning never sleeps
I. Ioannovits (Greece): Aspects of institutional interaction
A. Alexandridis (Greece): Comments

12.30-14.00 WORKSHOP HALL F

Human Systems Therapy (HST): Assessment of effectiveness in psychiatric patients
Organized by: SOCIETY FOR SYSTEMIC THERAPY AND INTERVENTION

Chair: N. Paritsis (Greece)

Panel: N. Paritsis (Greece): HST for patients with schizophrenia
M. Lambraki, S. Kelaidakis (Greece): HST for adolescent cannabis users
G. Gandona (Greece): HST for individuals with intellectual disability

15.30-17.00 WEB LECTURE HALL A-B

WEB LECTURES (LIVE)
Organized by: BECK INSTITUTE FOR COGNITIVE BEHAVIOR THERAPY

Chair: N. Katsilambros (Greece), G. Simos (Greece)

J.S. Beck, D. Beck Busis (USA): CBT for weight loss and maintenance
FRIDAY 30TH NOVEMBER 2012

15.30-17.00  SYMPOSIUM  HALL C

Psychiatry's contract with Society: Ideology and professionalism and ethics

Chair:  N. Bouras (UK), G. Ikkos (UK)

Panel:  N. Bouras (UK): Ideology, psychiatric practice and professionalism
       G. Ikkos (UK): What are Psychiatrists for? Social inclusion, affect and quality in psychiatric services
       M. Livaditis (Greece): Ethics in Psychiatry

15.30-17.00  SYMPOSIUM  HALL D

Anthropology and psychiatry: Cross-cultural perspectives

Chair:  D. Gefou-Madianou (Greece), D. Ploumpidis (Greece)

Panel:  D. Gefou-Madianou (Greece): Culture and Psychiatry: Dilemmas, limitations, prospects
       F. Gonidakis (Greece): Acculturation and immigrants’ mental health
       V. Kaltsi (Greece): Beyond the Asylum: Confinements, exclusions, and perspectives
       D. Ploumpidis (Greece): Challenges in social psychiatry

15.30-17.00  SYMPOSIUM  HALL E

Social psychiatric services: Outreach units and mental health promotion

Organized by: SOCIETY OF SOCIAL PSYCHIATRY AND MENTAL HEALTH

Chair:  P. Sakellaropoulos (Greece), A. Fragouli (Greece)

Panel:  P. Fitsiou (Greece): Mobile psychiatric units for remote places (mountainous areas and islands)
       J. Syros (Greece): Continuation of care and psychotherapy of adolescents in transition to adulthood: Conscerted function of Child Guidance Clinics and Community Health Care
       A. Fragouli (Greece): Sectionalised Community mental health promotion
       Th. Kleopas (Greece): Continuation of care for schizophrenic patients in the aim of averting relapses: Emphasis on the acute phase care at the patients home

15.30-17.00  MEET THE EXPERT  HALL F

An update on Psychiatric genetics

Organized by the WPA Section on GENETICS IN PSYCHIATRY

T.G. Schulze (Germany): Expert’s presentation

D. Dikeos (Greece), A. Papassotiropoulos (Switzerland): Complementary remarks
**FRIDAY 30TH NOVEMBER 2012**

Pharmacogenetic research in psychiatric disorders

WPA Section Symposium: GENETICS IN PSYCHIATRY SECTION

Chair: T.G. Schulze (Germany), G.N. Papadimitriou (Greece)

Panel: A. Papassotiropoulos (Switzerland): Genetics-driven discovery of memory-modulating drugs
D. Dikeos (Greece): Pharmacogenetic studies of mood disorders
T.G. Schulze (Germany): Phenomic and genomic findings from the consortium on lithium genetics

Psychosocial rehabilitation and recovery: Current perspectives

WPA Symposium Section: PSYCHIATRIC REHABILITATION SECTION

Chair: A. Javed (UK)

Panel: M. Madianos (Greece): Psychosocial rehabilitation practice in the years of economic crisis
A. Kazmi (Pakistan): Introducing evidence based psychiatric rehabilitation at a psychiatric facility in Pakistan in collaboration with University of medicine and dentistry New Jersey
T. Rana (UK): Recovery model of mental illness: UK perspective

Psychoanalysis and somatic patient

Organized by: ASSOCIATION INSTITUT DE PSYCHOMATIQUE PIERRE MARTY IPSO PARIS

Chair: P. Aloupis (France), M. Aisenstein (Greece)

Panel: M. Baudin (France): Voices of transference with somatic patients
M. Fafouti (France): Clinical encounter with breast cancer patients
V. Dimopoulos (Greece): The transition from somatic disorder to bodily pain

Time to broaden the catecholamine focus in the pathogenesis of ADHD based on pre-synaptic (transport) and post-synaptic (receptors) in vitro trials

Chair: N. Venizevelos (Sweden), E. Fernell (Sweden)

Panel: E. Fernell (Sweden): ADHD a current clinical overview
R. Vumma (Sweden): Aberrant amino acid transport in fibroblasts of children with attention-deficit/hyperactivity disorder (ADHD)
J. Johansson (Sweden): Decreased muscarinic receptors density in fibroblast from ADHD children, in vitro trials
### 09.00-10.30 SYMPOSIUM HALL E

**Effectiveness of family interventions in psychopathological entities**

*Organized by: HELLENIC SYSTEMIC THINKING AND FAMILY THERAPY ASSOCIATION (HESTFTA)*

**Chair:** K. Charalabaki (Greece), D. Georgiadis (Greece)

**Panel:**
- **V. Pomini** (Greece): Trans-generational patterns of parental bonding in a sample of drug addicts as compared to a non clinical sample
- **F. Gonidakis** (Greece): Multifamily treatment vs family psychoeducational intervention for anorexia nervosa: Preliminary findings from the project “steps forward”
- **G. Kolaitis** (Greece): Individual and family psychotherapeutic interventions in children and adolescents with malignant disease and cystic fibrosis
- **V. Tomaras** (Greece): The social and family functioning outcome of individual psychodynamic therapy vs integrative systemic family therapy in childhood depression

### 09.00-10.30 WORKSHOP HALL F

**New directions in quantitative methodologies for the assessment of therapeutic interventions in schizophrenia**

**Chair:** E. Angelopoulos (Greece), P. Ktonas (Greece)

**Panel:**
- **E. Angelopoulos** (Greece): New methods to assess therapeutic interventions in schizophrenia
- **H. Tsekou** (Greece): Quantification of patterns and morphology of EEG sleep spindles in the assessment of pharmaceutical intervention in schizophrenia
- **A. Margariti, E. Ventouras** (Greece): Quantification of changes in behavior and in the inter and intra-hemispheric EEG coupling as a result of the primitive expression form of dance therapy in schizophrenia

### 11.00-12.30 LECTURES HALL A

- **N. Müller** (Germany): *Therapeutic implication of immunological research in schizophrenia*
- **R. Murray** (UK): *The role of social factors in the aetiology of psychosis*
- **W. Gaebel** (Germany): *Schizophrenia and other primary psychotic disorders: From ICD-10 to ICD-11*

### 11.00-12.30 LECTURES HALL B

- **M. Madianos** (Greece): *Mental illness and the economy: The case of Greece*
- **N. Bouras** (UK): *Evaluation and quality assurance for mental health services: An international perspective*
- **T. Akiyama** (Japan): *Psychiatry to be better appreciated: Solution for anti-stigma*
12.30-14.00 SYMPOSIUM HALL A

**Dimensional approaches in schizophrenia research**

*Chair:* W. Strik (Switzerland), A. Heinz (Germany)

*Panel:* W. Strik (Switzerland): The neurobiology of language related symptoms in schizophrenia
M. Brüne (Germany): Mechanisms of social cognition in schizophrenia
A. Pankow, C. Haegele, F. Schlagenhauf, A. Heinz (Germany): Reward dysfunction and delusions in schizophrenia
A. Grunze (UK): Affective dimensions in schizophrenia and bipolar disorders – Clinical implications

12.30-14.00 SYMPOSIUM HALL B

**Public health and psychiatry: Challenges and opportunities**

*WPA Section Symposium: PUBLIC POLICY AND PSYCHIATRY SECTION*

*Chair:* W. Rutz (Sweden)

*Panel:* W. Rutz (Sweden): Person centered psychiatry and health promotion
A. Philalithis (Greece): Public Health Policy in mental health: Reflections on the Greek experience
M. Samakouri (Greece): The psychiatric reform in Greece: Policy implementation and prospects
U. Malm (Sweden): Person centred psychiatry, person centred family intervention and interdisciplinary collaboration involving the client: The Resource groupACT (RACT) approach

12.30-14.00 SYMPOSIUM HALL C

**Second generation antipsychotics: From neurobiology to clinical practice**

*Organized by: TURKISH ASSOCIATION OF PSYCHOPHARMACOLOGY (TAP)*

*Chair:* M. Cetin (Turkey), T. Paparrigopoulos (Greece)

*Panel:* F. Aricioglu (Turkey): Antipsychotics: Neurobiological bases for a therapeutic approach
O. Karamustafaloglu (Turkey): State of the art in clinical treatment with second generation antipsychotics
M. Cetin (Turkey): Metabolic side effects of second generation antipsychotics and coping with them
Y. Bez (Turkey): Other side effects of second generation antipsychotics and coping with them
### 12.30-14.00 SYMPOSIUM HALL D

**Quality of life of parents whose children present with psychiatric - Developmental disorders or learning disabilities**

Chair: **M. Coccossis** (Greece)

Panel:
- **E. Mellou, M. Coccossis, G. Vaslamatzis** (Greece): Comparative study of parents’ quality of life and psychopathology in patients with borderline personality or schizophrenic disorders
- **M. Vlassopoulo, V. Rotsika, M. Coccossis** (Greece): Estimating the quality of life of parents of children with developmental language disorders
- **V. Rotsika, M. Vlassopoulo, M. Coccossis, S. Skevington** (Greece): Is parent's quality of life affected by the child’s learning disabilities?

### 12.30-14.00 SYMPOSIUM HALL E

**The untoward effects of the economic crisis**

Chair: **M. Madianos** (Greece), **M. Economou** (Greece)

Panel:
- **I. Papanikola** (Greece): TBA
- **M. Economou** (Greece): The impact of economic crisis on mental health: A complication of evidence
- **L. Peppou** (Greece): Economic crisis and affective disorders: Mediating mechanisms
- **C. Theleritis** (Greece): Suicidality and financial crisis

### 12.30-14.00 WORKSHOP HALL F

**Presenting a case of major depression: Encounter of different approaches**

*Organized by: HELLENIC SOCIETY OF PSYCHOANALYTIC PSYCHOTHERAPY and HELLENIC SYSTEMIC THINKING AND FAMILY THERAPY ASSOCIATION*

Coordinators: **H. Karamanolaki** (Greece), **D. Magriplis** (Greece)

Panel:
- **J. Soumaki** (Greece): Psychoanalytical approach and individual psychodynamic Psychotherapy
- **K. Charalabaki** (Greece): A systemic approach: Couple therapy
- **E. Angelopoulos** (Greece): Biological approach and the neurobiology of treatment
**SATURDAY 1ST DECEMBER 2012**

**15.30-17.00 SYMPOSIUM HALL A**

**Psychoneuroimmunology for personalized medicine in depression**

Chair: A. Halaris (USA), B. Leonard (Ireland)

Panel:
- A. Halaris (USA): Role of Vascular Endothelial Growth Factor (VEGF) in neurogenesis and depression
- J. Steiner (Germany): Quinolinic acid immunopositivity in post mortem brain tissues of suicidal depressed patients
- A.-M. Myint (Germany): Gene-biochemical interaction of kynurenine metabolites in depressed patients
- N. Mueller (Germany): Kynurenines as predictor for response to add-on COX2 inhibitor therapy

Discussant: B. Leonard (Ireland)

**15.30-17.00 SYMPOSIUM HALL B**

**Psychoanalysis and neurosciences - In the past and in the present**

Organized by: HELLENIC PSYCHOANALYTICAL ASSOCIATION

Chair: N. Tzavaras (Greece)
