Dear Mr. Bolanis

I thank you for your kind message.

I would like to say how the stay was pleasant for me thanks to the organization, the conference place with full technical facilities and effective staff, the receptions (Opening Ceremony, Garden of the Iliou Melathron in particular), ...

It was a very interesting conference but also the best conditions offered by HeNAA, the Local Organizing Committee, and so marvellous Athens...

I don't forget efficient and constant presence Erasmus SA of Nikolas Dorgonakis and Irimi Katti !

Thank you again,

Yours, sincerely

Jean-Marc Fontaine
