Mission of Takai Hospital Supply Co., Ltd. (THS)

THS has been founded to improve as much as possible the quality of life for Japanese people by providing the medical equipment and consumables for the minimally invasive therapies.

Business Features of Takai Hospital Supply Co., Ltd.

We are one of the most reliable companies specialized in urology in Japan. We are the pioneer to introduce Endourology at first into Japan as early as in 1980's and we have been selling minimally invasive products from disposables such as ureteral stents, stone extractors, etc. to capital equipment such as MRI/TRUS fusion biopsy system, HIFU, lasers, etc. aiming at patients' QOL improvement.
