Welcome Message

Dear colleagues and friends,

It is with great pleasure and pride that I invite you to the 10th World Congress of Neuroendoscopy, to take place on November 19-22, 2023, in Singapore.

We aspire to bring to you a comprehensive Scientific Program, inclusive of concurrent advances and innovations in our inspiring field of practice, hands-on sessions and state-of-the-art techniques, with the valuable support of renowned international experts.

A pre-congress Ventricular and Skull Base Endoscopy hands-on cadaver workshop will take place on November 18, 2023.

We welcome your contribution through abstract submission and count on your feedback, to enrich the program with your research and clinical experiences.

We invite you to join us in Singapore in November 2023 and share a unique educational and networking experience.

Warm wishes,

Sew Wan Tew
2023 Congress Chairman

Lead Scanning & Retrieval for Exhibitors

Lead Scanning allows exhibitors scan the bar code or QR code on an attendee’s name badge when they visit the exhibitor’s booth. The exhibitor can capture demographic details about the attendee and ask them customized profile questions during their visit. Automated emails can be configured to send a thank you email to the attendee, as well as an alert email to an assigned party within the exhibitor’s company.

Exhibitors can use their Attendee Mobile App to capture the leads, collect answers for the custom profile questions, and view a list of all attendees who have visited their booth. The list of captured attendee information can also be viewed on the Exhibitor Portal, as well as exported for further sales efforts. The Sponsor will be acknowledged in the Final Program, on IFNE 2023 website and during the coffee break (label with the sponsor’s name & logo in the catering points).
Roll-up Banner

Place a roll up banner at a variety of locations within the congress venue and promote your products. Roll up banners must be provided by you, but we are more than happy to assist you with the printing/production process. Sponsorship of these items enables your company to reach delegates both before and during the congress.

Advertising in the Final Program

Secure extra visibility for your company by placing your own full page color ad in the Congress Final Program, which will be provided to all attendees as an insert in the Delegate's bags.

Congress Bags

Become the sole provider of the congress bags that will be distributed to all delegates on-site.

Benefits include:
- Your logo will be placed on the Congress website
- Acknowledgment in the Congress Final Program as the Congress Material Supporter
- Acknowledgment on the official Congress website as the Congress Material Provider and link to your website
- Company profile included in Final Program (Sponsors’ profile section)

*Lbags can't be branded due to PhRMA restrictions*

Lanyards, Pens and Notepads

Become the sole provider of the lanyards, pens and notepads that will be included in the congress bag.

Benefits include:
- Your logo will be placed on the Congress website
- Acknowledgment in the Congress Final Program as the Congress Material Supporter
- Acknowledgment on the official Congress website as the Congress Material Provider and link to your website
- Company profile included in Final Program (Sponsors’ profile section)

*items can't be branded due to PhRMA restrictions*
Mobile App

The free mobile app has a modern and user-friendly design, and provides delegates with all-important information at their fingertips, including easy access to the scientific program, floorplans, presenter profiles and much more. Become the exclusive sponsor of the IFNE 2023 app to ensure high impact, continuous positioning on the home screen.

Sponsorship of the app is limited to one company and includes:
- Exclusive acknowledgment as app sponsor on IFNE website
- Exclusive acknowledgment as app sponsor in the pocket program of the congress.
- Logo on home screen of the congress app.
- Individual button on home screen of the congress app.
- Individual page within the app including company logo, with website link, company profile and information on your company session and/or booth (if applicable).

The Mobile App includes personalized schedules, push notifications, immediate content sharing in social media, polls, surveys, on-line evaluation questionnaires of specific sessions or the entire congress.

Mobile App Push Notification

Optimise the awareness of your company booth, sessions or activities with a push notification sent. App notifications are typically sent 30 minutes and 2 hours before an activity takes place. App notifications include:
- One message consisting of a title with a maximum of 120 characters and text of up to a suggested 150 words
- One in-message image
- Two website links

To ensure regulated use and to maintain quality of impact of this communication channel, the total number of push notifications are limited to 5 notes per day.
Engage with your audience – Vote

Engage directly with delegates to stimulate dialogue and gain the answers to burning questions you have for your target audience. IFNE provides both voting and ask features via the easy-to-use IFNE mobile app. With this package you may choose either the vote or ask, or both functions.

**Vote:** Present your audience with questions or scenarios to which they can give their suggestions and responses. We recommend that each question should include up to 5 proposals and allow only one answer (i.e., with no multiple option responses).

**Ask:** Provide your audience the opportunity to ask questions to your symposium presenter. These can either be discussed openly within the session or taken onboard for internal analysis and development.

- Complete availability of both the voting and asking feature for the duration of your symposium
- Training & briefing prior to the congress and before the session where required
- Technical support during the session
- Results of your activities after the congress

Inserts in Delegates’ Bags

Further promote your company’s products by including your flyer / product information in the Congress’s bags. Delegates’ Bags includes the Program of the Congress and is provided to all delegates upon their check-in at the Congress’s Reception Desk.

Inserts must be approved by IFNE 2023 Organizing Committee

Insert Specifications: The maximum allowed dimension of the insert is a standard A4 (210 by 297 mm) and max weight should not exceed 250 gr

Focus Group Congress

Organization of a Focus Group Congress with the participation of a small group of faculty members to discuss the application of any of your products’ technology and get feedback from experts in the field.

If you are interested to host a Focus Group Congress on the IFNE 2023 we would be delighted to discuss this concept further with you and send you a tailormade proposal for your review.
Pocket Program Sponsor

Having adopted an eco-friendly policy, the IFNE 2023 Congress will distribute to its participants a pocket program guide, containing all events taking place at and around the Congress. It includes an overview of all scientific sessions, as well as any other event taking place during the Congress. Details and technical specifications will be sent to you in due course.

Battery Charging Station

A Battery Charging Station will be constructed to supply electric power for the recharging of mobile phone devices and laptops. Sponsoring company's logo will be displayed on the booth panels.

Coffee Breaks

Coffee and tea will be offered to all participants during the scheduled breaks. The Sponsor will be acknowledged in the Final Program, on IFNE 2023 website and during the coffee break (label with the sponsor's name & logo in the catering points).

*SPONSORING THE CUSTOMIZED OPPORTUNITIES INCLUDE BRAND'S ACKNOWLEDGMENT ON IFNE 2023 WEBSITE AND IN THE FINAL PROGRAM.

VAT is not included in the above prices and will be added only if applicable.
